What We Are Learning:

Our theme this week is winter. We are learning all about snow, ice, and icicles. Students will discover how snow and ice forms and where it comes from. Tips and Ideas: Kids Not Listening???

Are your kids not listening? Try some of these tricks and tips!

1. Ask yourself: Are they hungry or tired? Have you been paying attention to them? Would a change of scenery improve their behavior? Are we modeling good listening behaviors?
2. When speaking to them do you..... Get down to their level? Hold their hands and keep their attention? Ask for their eye contact? Have them repeat back what you said?
3. Keep your language positive!
