What We Are Learning:

Our theme this week is Apples. During large group, we will be talking about our commitments, routines, sharing, and making good choices. We will also discuss what an apple is, the parts of an apple, things we can do with an apple, weighing apples, and tasting red, yellow, and green apples. Small groups will include handwriting without tears, apple seed counting, and putting puzzles together. We will be reading and listening to books such as Ten Apples on Top, Ten Red Apples, How do Apples Grow, and Apple Farmer Annie.
